

Faculty Achievements

Session 2025-26

- Prof. Bhagyashree Hambarde was invited as a Judge by Mahila Mahavidyalaya, Nandanvan for the Intercollegiate Elocution Competition organized on 28th February 2026 at the college campus, Nandanvan, Nagpur.

- St. Vincent Pallotti College of Engineering & Technology, Nagpur, organized AIDCON-2025 on 12th and 13th December 2025, jointly by the Departments under the chairmanship of Dr. Manish Gudadhe (Data Science), Conference Chair with Artificial Intelligence, CSBS and Cyber Security.

- Dr. Manish Gudadhe, along with Prof. Abhinav Muley, from Dept of CSE(Data Science) was invited as an AI experts to provide valuable inputs in a one-day meeting on “AI4Soil: Applications of AI & ML in Soil Sciences” hosted by ICAR – National Bureau of Soil Survey and Land Use Planning, Nagpur. During the meeting, Prof. Abhinav Muley delivered a presentation titled “Reinforcement Learning in Soil Science, Remote Sensing, and Agriculture”. The meeting aimed to identify emerging research areas and develop a collaborative roadmap for the application of Artificial Intelligence and Machine Learning in Soil Science.

- Mrs. Leena Mandurkar was honored with the *Best Mentor Award* in recognition of her exceptional guidance and mentorship in her subject domain. Notably, 9 of her 19 mentees achieved Gold Certification.

- Prof Kalyani Satone, CSE(Data Science) has successfully conducted an Expert Session on Research Paper Writing & Book Chapter on 09/09/2025 in the Department of Computer Engineering, SSPACE Wardha. The session was highly interactive and greatly contributed to enhancing research and publishing skills

- Prof Kalyani Satone, CSE(Data Science) has successfully conducted a two day workshop on “Front end development using Java “ on 30th Sept in Scholl of Allied Science, DMIHER, Wardha.

- A technical guest lecture was held on October 4, 2025, at My Tec Sys by Dr. Nischal Puri and Mr. Aashish Dandekar from the Department of Computer Science and Engineering (Data Science), St. Vincent Pallotti College of Engineering and Technology, Nagpur.
- Dr. Nischal Puri spoke on “*Machine Learning Insights and Data Dashboard with Industry Perspective,*” highlighting data-driven decision-making and the use of ML in business intelligence. Mr. Aashish Dandekar addressed “*Ethical Behaviour of Employees in AI Perspective,*” focusing on responsible AI practices and workplace ethics.

Session 2024-25

- Best Performing Faculty Awards for the academic year has been received by Dr. Aashish Dandekar
- Prof Bhagyashree Hambarde was honoured with the Domain *Star Achiever* award and Discipline star award during the academic session 2024–25.
