Exam Cell (Autonomy)
(Academic Year 2025-26)

TIME TABLE

M.TECH. FIRST SEMESTER END SEMESTER MAKEUP EXAMINATION WINTER 2025

Time of Examination: Theory 9:30 am to 12:30 pm

Name of Program	Date	11.02.2026	12.02.2026	13.02.2026	16.02.2026	17.02.2026
	Day	Wednesday	Thursday	Friday	Monday	Tuesday
CSE (ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING)		Artificial Intelligence 25AM101T	Deep Learning 25AM102T	Big Data & Analytics 25AM103T	Professional Elective – I 25AM104T(ii) Data Science for Engineers	
AUTOMOTIVE TECHNOLOGY		Automotive Mechanical Systems 25AT101T	Automotive Electrical and Electronics 25AT102T	Vehicle Dynamics 25AT103T	PE-I : Machine Fault diagnosis 25AT104T(ii)	PE-II: Noise, Vibration Harshness 25AT105T (i)
CSE (BIG DATA ANALYTICS)		Fundamentals of Data Analytics 25BD101T	Artificial Intelligence and Machine Learning 25BD102T	Data Engineering Foundation 25BD103T	Professional Elective – I 25BD104T (ii) Big Data Computing	
EMBEDDED SYSTEM AND VLSI DESIGN		Embedded System Design and RTOS 25ES101T	Analog and Digital VLSI Design 25ES102T	VLSI Testing 25ES103T	Industry 4.0 and Industrial IoT 25ES104T	Professional Elective 25ES105T(i) ASIC
POWER ELECTRONICS AND POWER SYSTEMS		E-Drive System, Design and Control Strategy for Electric Vehicles 25PE101T	Industrial Power System Analysis with AI Applications 25PE102T	Professional Elective – I 25PE103T(i) Microcontroller- Based Embedded Systems for Electric Vehicles	Professional Elective – II 25PE104T(i) Substation Engineering - Design & Digital Concepts	
STRUCTURAL ENGINEERING		Matrix Analysis of Structure 25SE101T	Earthquake and wind effects on Structures 25SE102T	Foundation Design 25SE103T	Advanced Concrete Structures 25SE104T	Professional Elective 25SE105T(ii) Advanced Structures
