1. Introduction

1.1. Preamble

St. Vincent Pallotti College of Engineering & Technology, established in 2004 on a sprawling sixteen-acre campus in Gavsi Manapur on the Nagpur-Wardha Road, is owned and managed by the Nagpur Province of the Pallottine Fathers, an international religious order. The College is approved by All India Council for Technical Education, New Delhi and Directorate of Technical Education, Government of Maharashtra. It is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU). The college offers eleven Undergraduate Engineering Programs: Computer Engineering, Mechanical Engineering, Electronics & Telecommunication Engineering, Electrical Engineering, Information Technology, Civil Engineering, Computer Science and Engineering (Data Science), Artificial Intelligence, Computer Science and Engineering (Cyber Security), Computer Science and Business Systems, Industrial IoT and three vocational undergraduate programs : Cyber Security, Software development and Augmented Reality & Virtual Reality(AR/VR). It also offers two Post Graduate programs in Computer Science Engineering and CAD/CAM and runs a Research Center in Mechanical Engineering. B.Tech. programs in Electrical Engineering, Computer Engineering, Mechanical Engineering, Electronics & Telecommunications and Information Technology are accredited by National Board of Accreditation, New Delhi. Our Institute is accredited with "A" grade by National Assessment and Accreditation Council (NAAC)..

The curriculum offers broad knowledge, and builds a thorough professional lifelong process of learning and exploring. At the undergraduate level, a student needs to do compulsory foundation courses in the areas of basic sciences, humanities, social sciences, and engineering apart from departmental requirements. Departmental courses (core and electives) constitute a minimum 50% of the total curriculum. Further, students have to undertake electives including interdisciplinary ones to develop broad specialized and inter-disciplinary knowledge. At the PG level, students are encouraged to look beyond their area of specialization to broaden their horizons through a wide variety of courses and electives.

The Institute follows a credit-based semester system for its academic programs with English as the medium of instruction. An academic year runs from July through June next year and is comprised of two semesters. Typically, the 1st semester (Odd Semester) starts in July and ends in December; the 2nd Semester (Even Semester) starts in January and ends in June.
