Member(s) who Attended	List Attached

An Internal Quality Assurance Cell (IQAC) Meet was conducted on 23rd November 2023.

- Dr. Surendra Gole welcomed all IQAC members.
- Dr. Tarwatkar read the minutes of the previous meeting conducted on 21st July 2023.
- Dr. Bramhe proposed the confirmation of minutes which were seconded by Dr. N. V. Deshpande. Then the IQAC approved & confirmed the minutes of the meeting. After confirmation, Dr. Tarwatkar presented the action taken report.
- Dr. N.V. Deshpande presented Highlights of the Academics activities of the Institute.
- Dr. Sachin Nagmote presented Highlights of the Co-curricular & Extracurricular activities of the Institute.
- Dr. Minhaj A. Rehman presented the faculty activities and achievements report including report of Research and Development Cell.
- Dr. Kishor Borakhade presented the Highlights of the Training & Placement activities.
- Dr. Gaurav Gadge read the innovation & entrepreneurship development cell activities.

- Dr. S.V.Gole requested the members to provide their views and suggestions to improve the quality of the institute's activities and processes.

Suggestions / Remarks by Prof. Hemant Diddee:

- He enquired about academic results and suggested to have check on results of autonomy batches.
- Showed concern for internships and more time and energy should be given for internships.
- To improve faculty connect and involvement in industries
- Patents and PhDs should be of help to institute in terms of grants or consultancy.

Suggestions / Remarks by Mr. Sandeep Darwhekar:

- He expressed Institute must have clarity of goals.
- He has shown concern about the reduction of intake of E&TC from 120 to 60.
- He suggested to enhance the communication skills of the students.
- To conduct hands on training for faculty members in Industry.
- To closely work with industries for either internships or projects.
- Delivery of classes must be practical oriented.
- Every practical course must have some input through industry consultant.
- He suggested the model of Industry within Institute.

Suggestions / Remarks by Prof. Aniruddha Bodhankar:

- He expressed his concern for internship stating its execution should be in a structured way.
- Internship must be useful to the students with respect to their domain of interest.
- Period of internships must be 6 months to 1 year.
- Before sending the students it must be checked whether the company has sufficient infrastructure and other facilities.
- Institute can launch its own project as internship for some students.

Suggestions/ Remarks by Dr. D. J. Tidke:

- He suggested for improvement in capacities and competencies of the faculty members.
- Conscious efforts must be taken by management to improve these competencies.
- He suggested sending faculty members for training to IITs or any Institute of repute.

- Faculty members may adopt industries, means the requirement, problems, issues faced by the industries may be taken care of by the faculty members.
- He suggested we as an institute should reengineer the curriculum.
- He suggested to recruit people from IITs & NITs.
- The Institute should develop its own systems and processes.
- Focus shall be more on faculty improvement. Faculty members with industry expertise and research culture may be appointed. Conscious efforts are needed for it.

Suggestions / Remarks by Fr. James Thomas:

- He suggested faculty members must be aware of industry trends.
- Faculty members should involve with industries to evolve the curriculum and student connects.

Dr. Surendra Gole thanked all IQAC members & invitees for their suggestions & meeting was concluded at 1.30 pm.

Dr. Surendra V. Gole

Chairperson, IQAC
